Payment and Additional Information (Please initial all spaces)

A deposit of \$200.00 is required to reserve photography services on your wedding day. This deposit is applied to the amount of your wedding package, which must be paid in full a week before the wedding date. ____ If you require more photographic coverage than is allotted in your package, the rate will be \$65.00 per half hour. ____ It is the responsibility of the wedding party to be ready for photography at the appointed time. This agreement constitutes an agreement for wedding photography. It is understood that any and all proofs, sample prints and negatives remain property of Shutterbugz unless the digital negatives are purchased or included in the package. ____ Although every effort will be made with all aspects of the photographic process, Shutterbugz and the photographer limits liability to deliver photographs to a return of all deposits made. ____ It is understood that no other professional photographer shall be allowed to photograph while we are working. It is your responsibility to make sure that any amateur photographer or videographer does not interfere with the photographic process. ____ Shutterbugz reserves the right to use images for any display samples or marketing purposes. ____ Upon payment of deposit, a Shutterbugz photographer reserves the time listed and will not make other appointments for that date and time.
